Subject: List of Technical Advisory Committee members
TAC sum List.doc

As a follow-up to our conference call this morning, attached is the list of the Passaic River Technical Advisory Committee (TAC) members who have been advising us on refining the CARP model to Passaic River-specific conditions.

Note that Bopp, Henningson, Lick and Butcher have been most active, because of the nature of the work done to date (Hydrodynamic & Sediment transport modeling, and CSM work).

Also, this is just a list of outside advisors. The following government technical experts have also been advising us alongside the TAC:

Earl Hayter (EPA),
Mark Dortch (USACE),
Joe Gailani (USACE),
Paul Schroeder (USACE),
Bill Johnson (USACE).
